

**WISKIND**

**WISKIND PIR/PUR CLEANROOM PANEL**

A cleanroom panel with high precision, heat insulation and waterproofing

PIR/PUR Insulation  
 Aluminum foil  
 Aluminum foil

GOOD AT "CLEAN" - BETTER IN WASHES

**Why choose Wiskind PIR/PUR cleanroom panels**

**NO.1 Innovative injection-free process design**

**→ PANEL**  
 High precision, high strength, high stability, high waterproofing

**→ CORE MATERIAL**  
 High precision, high strength, high stability, high waterproofing

**NO.2 Digital intelligent production process**

**JBE** DIGITAL FACTORY

**JBE** PLANT BY PRODUCTION LINE

**JBE** DIGITAL FACTORY

**NO.3 International standard quality control system**

INTERNATIONAL QUALITY CERTIFICATION

FULL TRACEABILITY FROM RAW MATERIALS TO FINISHED PRODUCTS & AUTOMATIC CLEANROOM PANEL PRODUCTION LINE

**Product parameters**

Item	Parameter	Value
Basic Parameters	Material	PIR/PUR
	Thickness	25mm
	Color	White
	Surface Treatment	Electrocoat
Performance Parameters	Waterproofing	> 1000h
	Heat Insulation	> 0.04
	Dimensional Accuracy	< ±0.1mm
	Surface Roughness	< Ra 0.4
